**"YOU'RE A LIAR!"**

**A Disgraceful Row in Gen. Grant's Church.**

**The Senior Deacon and the Pastor Exchange Some Very Unchristianlike Language. An Impudent Resolution Referred.**

**By Telegraph to the Post-Dispatch.**

**NEW YORK, January 17.—A devout Christian, secretary of the Methodist Avenue Congregational Church, and a member of the church, dropped in there last evening, thinking a prayer meeting the order of the night. Such a man would have been amazed. Instead of singing he would have heard the congregation hissing, applauding and crying "Shame, shame!" Instead of a lesson he would have heard Dr. Newman, the pastor, referring to the senior deacon as "the son of a bitch" and contradicting every word the deacon had just spoken. He would have heard the members of the church call one another "political gangs," and members of this party and that, and would have observed that nearly every speaker averted his eyes from the one who spoke before him. It was the annual meeting of the green society which is everywhere known as Gen. Grant's Church, and which has been referred to as the last and only church in this city of which there was a faint shadow of ground for the application of.**

**THE EPITHET POLITICAL.**

**The meeting last night brought out the fact that while Paul Newman has been only two years a member of the church, he has been a member of nearly 300 others who now belong to it all that time are dissatisfied with his present condition. They assert that the debt then of \$80,000 was to be paid off; that he was to identify himself with the church and be installed pastor. This, they say, has been put off and he remains as at first, merely a Methodist under orders applying a Congregationalist pulpit.**

**They assert that the finances are in bad shape and that he had better leave. They add that some of the trustees in his interests have talked of selling his property, and while he was away, they got off the church and made a smaller temple for Newman. What he has done is your own business, and of course you'll enjoy whatever reward comes to you.**

**The Shooting of Daniel Hill by Masked Men Believed to be a Hoax.**

**By Telegraph to the Post-Dispatch.**

**NEW YORK, January 17.—Yesterday's Post-DISPATCH contained a brief telegram announcing the calling from his room of a New Jersey merchant and his subsequent serious injury by being shot in the head.**

**Mr. Hill said: "They beat me, and shot me and I guess they have done for me."**

**Mr. Hill remained in bed all day.**

**It was plain to all that he was not fastened, and then there was but one ending—disaster.**

**I THINK THE NORTHERN PACIFIC**

**Itself, as soon as its local business can be determined, will be in a position to buy up all the property.**

**How could it cost so much I cannot understand. We built the Southwestern system.**

**The projectors of the enterprise are to blame in the first place.**

**Mr. Gould is a man of energy, and**

## HOG MEASURES.

The Action Congress Will Take Regarding Pork Products.

The Bill Appropriating \$1,000,000 for Mississippi Improvement Passes the House—Postal Telegraph.

By Telegraph to the Post-Dispatch.

WASHINGTON, D. C., January 17.—The subcommittee of the Commerce Committee appointed to consider the retaliatory measures growing out of the prohibition of American ports by France and Germany, will report the following to the full committee, asking its presentation to the House for to-morrow.

Whereas, The Government of the German Empire and the Republic of France have seen fit to prohibit the importation of the American hog products upon the unproven assumption that they are deleterious to public health, and,

Whereas, Said Government of the German Empire has declined an invitation of the Government of the United States to send its own experts to inspect the ports for the purpose of examining the quality and manner of marketing our hog products;

Resolved, By the Senate and House of Representatives of the United States of America, in Congress assembled, that the importation of any imports which, upon the advice of our own experts, the President shall find to be injurious to the public health, coming from the countries which, in the opinion of the Senate, prohibit the importation of any American goods or products, is hereby prohibited.

Iron Mountain Land Forfeiture.

WASHINGTON, D. C., January 17.—Mr. Cleary is waiting the appearance of the Senate bill forfeiting the Iron Mountain lands in Southern Missouri, and he will move it, it comes in from the Speaker's table and pass it at once, so avoiding the loss of time necessary to send it to a committee. He says that the bill will be little difficulty in passing the bill through the House. It is understood here that the Iron Mountain people are not opposing the bill, as they recognize that they have not justly earned the lands. The passage of the bill will open the Iron Mountain lands into market in Southern Missouri, opening them to homestead or pre-emption and sale under the terms of the NUMBER OF ACRES.

Senator Cockrell's bill forfeiting the Iron Mountain grants, receives \$1,000 in Missouri to public use.

The Mexican Treaty Again.

By Telegraph to the Post-Dispatch.

Mr. CARMEIL, Ill., January 17.—About six months ago, Mr. Mitchell, under the name of Morrow & Co., came to this city and engaged in the dry goods business. He purchased his stock on time, principally of St. Louis houses. Last Monday B. F. Estes, a brother-in-law of Morrow, purchased the store and done business until Saturday, when the sheriff, at the instance of the sheriff of St. Louis, came and took the store for debt. Morrow claims that he can only pay 60 cents on the dollar. The debts will be paid off in 12 months. B. F. Estes entered suit against the sheriff for \$1,000 damages.

PASSED THE HOUSE.

WASHINGTON, January 17.—The bill appropriating \$1,000,000 for the improvement of the Mississippi River, passed the House by a vote of 215, 215, 64.

SENATE CONGRESS.

no longer hold Lodge, N. Y.—The Chair of the important investigating Committee on Internal Revenue, Senator from New York, was denied all imputations contained in its recent documents.

Mr. Moore, by his report, introduced a bill repealing the duty on extract of hemlock and other balsams.

Mr. Moore's bill was introduced a bill repealing the duty on extract of hemlock and other balsams.

Petitions were presented by Senator Delph on the bill of the Committee on Post Offices and Post Roads, and gave his views upon points involved in the consideration of the postal telegraph bill. He entertained no doubt in regard to the constitutional right of the Government to regulate the telegraph, and to impose a tax upon the manufacture or sale of alcoholic liquors as a beverage.

The Senate is in executive session on the Mexican treaty.

The House.

WASHINGTON, January 17.—The Speaker laid before the House the message of the President transmitting to the Secretary of the State of Pennsylvania, and tendering the United States Marine Hospital at Erie, Penn., as a Soldiers' and Sailors' Home.

Mr. Moore, by his report, introduced a bill repealing the duty on extract of hemlock and other balsams.

THE BURNING OF MRS. STICKNEY.

FALL RIVER, MASS., January 17.—Concerning the fatal burning of Mrs. Charles P. Stickney, reported this morning, it is stated that she was saturated with naptha, preparatory to laying it over her body. She was found dead in the carpet she stove leg came off, and she had a rent in the floor to find it. There was an explosion, and she was immediately enveloped in flames. She ran from one room to another, and at the head of the stairs, she fell, and was found dead.

Mr. Skinner, a lawyer, was present at the scene of the fire, and he said that the fire was caused by a short circuit in the wiring.

Mr. Skinner called attention to the fact that the electrical wiring was not up to date.

Mr. Skinner said he did not object to the punishment of the man, but he did not think it was wise to condemn him.

Mr. Beach, a lawyer, was present, calling on the Postmaster General for all reports and papers relating to the St. Louis investigation made by the special agent during 1883.

Mr. Cox of North Carolina, from the Committee on Post Offices and Post Roads, introduced a resolution requesting the President to transmit to the House the correspondence relating to the construction of a railroad connection between the United States and in relation to the boundary between Mexico and Guatemala.

Mr. Robinson of New York, from the Committee on Post Offices and Post Roads, introduced a bill providing for the appointment of a receiver for the construction of a railroad connection between the United States and in relation to the boundary between Mexico and Guatemala.

THE REPUBLICAN PARTY IN OHIO HAS DEFINED ITS POSITION—it is in favor of—

THE REPUBLICANS IN THE OHIO LEGISLATURE, BEING IN A MINORITY, VOTED FOR NOBODY FOR SENATOR. REPUBLICANS IN OTHER STATES WHO ARE IN A MAJORITY FREQUENTLY VOTE FOR NOBODY FOR SENATORS.

THE REPUBLICANS IN THE OHIO LEGISLATURE MADE A MOTION FOR AN INVESTIGATION OF THE CHARGES IN REGARD TO THE SENATORIAL ELECTION, BUT HALF OF THEM VOTED AGAINST IT AND DEFEATED IT BECAUSE THEY WERE AFRAID IT WOULD PROVE A BOOMERANG.

JERSEY JUSTICE WAS AGAIN ILLUSTRATED BY A SENTENCE OF FINE AND IMPRISONMENT AND PERPETUAL DISQUALIFICATION FOR OFFICE, PASSED ON AN EX-SPEAKER OF THE ASSEMBLY FOR ATTEMPTED BRIBERY. A LITTLE JERSEY JUSTICE IN WASHINGTON WOULD CLEAN OUT THE LOBBY THERE.

MR. PENDLETON IS RECEIVED OF MANY CONSOLIDATORY ATTENTIONS IN THE HOUR OF DEFEAT. HIS DEMOCRATIC COLLEAGUES SUPPORTED HIM FOR PRESIDENT PRO TEM OF THE SENATE THE OTHER DAY, AND THE BUFFALO COURIER DESCRIBED HIM FOR SECOND PLACE ON THE TICKET OF 1884.

THE MISSISSIPPI RIVER FIGHT IS ON AND THE FRIENDS OF THE MISSISSIPPI RIVER CAN UNDERSTAND JUST WHAT THE SITUATION IS. THE NEW YORK TRIBUNE HAS SOUNDED THE KEY-NOTE OF THE OPPOSITION IN SAYING THAT ANYTHING THAT IS DONE FOR THE RIVER IS TO BE TREATED AS DEMOCRATIC EXAGGERATION.

THE FIREMEN'S FUND HAS APPROACHED SO NEAR TO \$2,000 THAT WE WILL MAKE IT AT LEAST THAT AMOUNT. MR. LANE, WHOSE GENEROUS VOWS ON THIS MATTER ENTITLE HIM TO A CONTINUATION IN HIS GOOD WORK OF THE TRIBUNES, AND THE WHOLE AMOUNT MONOPOLIZED BY SATURDAY.

THE DEMOCRATIC LEADERSHIP ASKED SOLID FOR HER FOR NOMINEE, HON. HENRY B. PAYNE, AND AT THE NELL HOUSE BANQUET TO-NIGHT THEIR SENATOR-ELECT WILL EXPLAIN MORE FULLY HIS VIEWS ON VARIOUS PUBLIC QUESTIONS. HIS SPEECH WILL, NO DOUBT, BE AS UNASSIMILABLE AS THE RECORD OF HIS WHOLE LIFE HAS BEEN.

PAYNE GOT ALL THE VOTES CAST FOR ANY ONE FOR SENATOR EXCEPT TWO THAT WERE RECORDED FOR FOSTER. AFTER ALL THEIR HOWLING ABOUT STANDARD OIL, THE REPUBLICAN MEMBERS OF THE OHIO LEGISLATURE, WITH ONLY TWO EXCEPTIONS, VOTED BLANK RATHER THAN VOTE FOR ANY REPUBLICAN AGAINST MR. PAYNE. HE SEEMS TO HAVE SUED THEM BETTER THAN ANY MAN IN THEIR OWN CAMP.

THERE IS ON THE PART OF NEW YORKERS AN IMPRESSIVELY SERENE ASSUMPTION THAT THE SUN RISES ON THE ATLANTIC COAST AND SETS JUST BEHIND THE ALLEGHENY MOUNTAINS, AND THAT WHEN OUR NATIONAL LEGISLATURE MEETS TO CARRY OUT THE WILL AND CARE FOR THE WELFARE OF THE COUNTRY, THE COUNTRY REFERRED TO IS THAT WHICH IS BOUNDED BY THE AFORESAID COAST AND THE AFORESAID MOUNTAINS.

SENATOR FRYE TESTIMONIES IN THE OPEN SENATE THAT HE HAS SEEN HIS COLLEAGUES INBIBING WHISKY SERVED AS TEA IN THE DISGUISE OF A CUP AND SAUCER. HE SHOULD TELL WHO DID THIS, OR SENATORS FROM NEW ENGLAND AND THE PROHIBITION STATES WILL BE EXPOSED TO SUSPICION. ONLY ONE OF THEM CAN ESCAPE IT, AND THAT IS THE FLOWER OF THE FLOCK, EDMUND, WHO, AS EVERYONE KNOWS, TAKES HIS WHISKY STRAIGHT AND OPENLY LIKE A DEMOCRAT.

DAVID DUDLEY FIELD IS URGING THE NEW YORK COURT OF APPEALS TO INCREASE ITS MORAL INFLUENCE BY REQUIRING THE JUDGES TO GET THEMSELVES UP IN SILK GOWNS LIKE OLD WOMEN. TO FURTHER INCREASE THE MORAL EFFECT, BIG WIGS SHOULD BE ADDED TO THE UNIFORM, AND THE LAWYERS SHOULD ALSO BE REQUIRED TO APPEAR IN WIGS, GOWNS, AND BANDS, WHILE THE OFFICERS OF THE COURT SHOULD WEAR COCKED HATS, RUFFLES, AND KNEE BREECHES OF THE ORGAN GRINDER'S MONKEY STYLE. THE ST. LOUIS BAR WOULD PREFER A RIG MORE LIKE THAT OF THE BASE-BALL CLUBS, AS AFFORDING MORE FREEDOM FOR THE MANUAL EXERCISE AND HOUDY EXERTION INCIDENT TO OUR FORMS OF PRACTICE.

THE PREVALENCE OF THE HABIT OF GOING UNARMED WITH THE HIDDEN TOOLS OF MURDER IS COMMONLY ASSIGNED AS THE CAUSE OF MOST OF THE HOMICIDES IN THIS COUNTRY, AND NOT ONLY SERVES AS AN EXCUSE FOR THE PRACTICE OF IT AND FOR A QUICK RESORT TO WEAPONS, BUT IS ACTUALLY CONSIDERED BY THE JURY IN ESTIMATING THE PLEA OF SELF-DEFENSE. IT HAS MADE THE BOYS FOR SOME BETTER TRAINING AND TEACHING THAN THEY CAN GET IN THE STREETS, OR AMID THE UNTOWARD SURROUNDINGS OF THEIR HOMES. THEY HAVE THE GOOD AND BAD QUALITIES OF ALL BOYS, BOTH THEIR GOOD AND BAD QUALITIES EXAGGERATED. THE AIM OF PHILANTHROPY IS TO LEAVE FREE SCOPE TO THE GOOD IN-

FENSE IN EVERY CASE WHERE THE KILLING, OR ATTEMPT TO KILL, IS WITH CONCEALED WEAPONS. HE THINKS THAT SUCH A PROVISION WOULD RENDER AFFAIRS MUCH LESS FATAL THAN THEY NOW ARE IN HIS STATE.

## BY THEIR FRUITS.

The unanimous vote of the committee for a report favoring a declaration of forfeiture in the case of the land grant for the unfinished portion of the Texas Pacific Railroad, is the first fruit of CARLISLE'S election as Speaker, and there is no longer any doubt that the subsequent proceedings will mark the election of the present Democratic Congress as the Waterloo of the monopolists and the land-grabbers' lobby. It is now evident that HUNTINGTON'S grab of 15,000 acres will be defeated by a House vote overwhelming that the Senate will not stand by him, and the restoration of about 100,000 acres of justly reclaimable land grants to the public domain will follow as matter of course.

HERO IS \$500,000 WORTH OF LAND SAVED TO THE PEOPLE BY THE ELECTION OF A DEMOCRATIC CONGRESS—all of which land would have been left by a Republican Congress, as it was left by the last one, subject to sale and transfer by the grantees to corporations that had not earned it, and that would have held it in mortmain till such tenure became an intolerable evil. Every acre of it was re-claimable when the last Congress met as it is now. MR. HUNTINGTON, for instance, to prevent the construction of a competing transcontinental line, had offered to extend, and had extended, the Central Pacific's Southern Pacific branch across Arizona and New Mexico to a junction with the Texas Pacific without asking any subsidy or land grant; and having thus headed off the competing line and attached the eastern end of it to his own road by purchase, he proposed to get the land regardless of the original consideration of the grant. Through inaction by Congress and favorable department rulings, he expected to make the grab successful. After Congress adjourned without action, his programme was exposed by a tentative ruling from the Attorney-General's office with regard to the transfer of the Backbone land grant to another corporation. This ruling that an unearned and unreclaimed land grant could be transferred by the grantee to another corporation, which could acquire a valid title without fulfilling the original conditions of the grant. Through inaction by Congress and favorable department rulings, he expected to make the grab successful.
